

You have a product in search of new markets; a brand ready and eager to grow; an innovative approach seeking an application. Dunn Enterprises makes connections; we put people and companies together in mutually beneficial ways to expand supplier and customer networks, create synergies, and help take you to the next level.

- **Connections and Synergies**
- **Opportunism**
- **Purposeful Innovation**
- **Sustainable Growth**

Will the path you're on take your business where you want it to go? Is the capital available to expand, diversify, re-tool? Dunn Enterprises works with individuals and investors to uncover, evaluate, and develop capital options and equity partnerships that are right for your business. We bring significant experience in cost/benefit analysis, due diligence, acquisitions, divestitures, turn-arounds, and start-ups in the food service, beverage, and restaurant segments.

- **Acquisitions, Expansions, Divestitures**
- **Cost/Benefit Analysis**
- **Financial Models and Forecasting**
- **Due Diligence**
- **Capital Formation**
